SUBJECT No. 763.

(1) Medical aid to Maranhalli people.

(2) Opening a L. F. dispensary at Sukravarsante.

(1) Mr. Basavegowda, Manjarabad taluk.

Summary of Representation.—1. Malnad is the home of malaria and Maranhalli is in the heart of malnad. It is about 8 miles from Saklespur. Close to Maranhalli there are big coffee estates with numerous coolies in them. For want of medical aid, the sufferings of these people are great. A dispensary may be opened at Maranhalli, and if this be not possible, the Sub-Assistant Surgeon may be made to visit Maranhalli twice a week to render medical aid to the people. This would be a great boon to the people of this part of the malnad.

(2) Mr. B. Nanjegowda, South Mysore Native Planters' Association.

2. In the Manjarabad taluk, there are two Local Fund dispensaries, one at the taluk headquarter and the other at Yeslur. The three hoblis of K—Hoskote, Yeslur and Byagadahalli are on the frontier of Coorg. The Local Fund dispensary at Yeslur is not approachable by the people of the other hoblis owing to the unfordable nature of the two rivers, the Hemavati and the Iygur *Hole*. It is prayed that a Local Fund dispensary be located at Sukravarasanthe, a central place to all the malnad hoblis.

IV. Read docket No. 987/Med. dated 24th. July 1914 received from the Secretary to Government, General and Revenue Depart-ments, requesting submission of a report to Government on the Dasara Representative Assembly subject No. 763 of 1913 regarding provision of medical aid at Marnhalli and Sukravarasanthe in consultation with this Committee.

Resolution:- Resolved that it appears most necessary to sanction a Dispensary for Sukravarasanthe in point of central locality as regards outlying parts of Manzerabad Taluk which are distant from existing dispensaries. Moreover there is a Travellers' Bangalow, Chathram and a Police Out-Post at Sukra-varasanthe which is on the high road to the Coorg province, ~~ad~~ and the reconstitution of the Revenue Hobli with Head Quarters of the Shekdar at Sukravarasanthe has already been recommended in the Revenue Department.

Further Resolved that Marnhalli is very uncentral and is not a suitable place for a dispensary.
